NARRATIVE AND INFORMATION SECTION**

# 2024 HOUSING AUTHORITY BUDGET MESSAGE & ANALYSIS

Guttenberg Housing Authority

**FISCAL YEAR: April 01, 2024 to March 31, 2025**

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

1. Complete a brief statement on the Fiscal Year 2024 proposed Annual Budget and make comparison to the Fiscal Year 2023 adopted budget for each Revenue and Appropriations. Explain any variances over +/-10% (as shown on budget pages F-2 and F-4) for each individual revenue and appropriation line item. Explanations of variances should include a description of the reason for the increase or decrease in the budgeted line item, not just an indication of the amount and percent of change. Upload any supporting documentation that will help explain the reason for the increase or decrease in the budgeted line item.

The proposed 2024 budget represents management's efforts to continue operating within industry guidelines while continuing its' goal of providing affordable housing to the maximum number of tenants possible. In addition, the HA has continued to make great strides in improving the physical conditions of the buildings and intends to continue the upgrades whenever possible. Both revenues and appropriations are expected to increase in 2024. Rental income and total HUD Subsidy is expected to increase based on current actual trends. As rental incomes increase operating subsidy may decrease slightly, however HAP subsidies on the Voucher Program will increase as local rents and the number of tenants assisted continues to rise. Portable Admin Fee Income, Fraud Recovery, and Community Room Rental are expected to rise slightly based on current actuals. Capital Funds Used for Operations will also increase as the HA will continue to maximize the amount of Capital Funds available to use for operating costs. Interest Income is also expected to rise as a full year of higher interest rates will be applied. On the appropriations side, the HA is expecting inflationary increases in most line items due to the nationwide inflation and economy. Fringe Benefits continue to increase as the cost of health care and pension costs rise. Travel will increase as the staff begins to travel for conferences and training now that the pandemic is over. Utility Labor will decrease because a maintenance employee left and will not be replaced. The increase in rental income coupled with a decrease in utilities will cause an increase in the PILOT payment. While not more than 10%, Gas costs are expected to decrease because of temperature meter adjustments made to prevent excessive heat in the apartments. Overall, the HA will continue the strategy used to maintain the highest standards of service possible and will monitor its' revenues and appropriations in order to make the appropriate financial decisions necessary.

2. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital/Program

As the US and local economies rebound from the difficulties associated with the pandemic the greatest questionmark moving forward will be the rise in inflation rates. Increased costs across all line items will require the HA to continually monitor both revenues and expenses in order to operate within the fiscal constraints presented. Management is confident that it will be able to meet its' goals with a strict adherence to fiscal integrity and will strive to do everything in its' power to maintain the high standards previously achieved.

3. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget (i.e. rate stabilization, debt service reduction, to balance the budget, etc.). If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

The Authority does not anticipate utilizing Unrestricted Net Position in the proposed budget. The HA is expecting a surplus of \$146,688 for the Fiscal Year Ending March 31, 2025.

## Guttenberg Housing Authority

FISCAL YEAR: April 01, 2024 to March 31, 2025

*Answer all questions below using the space provided. Do not attach answers as a separate document.*

4. Identify any sources of funds transferred to the County/Municipality as PILOT payments, or a shared service and explain the reason for the transfer. Housing Authorities cannot transfer Unrestricted Net Position.

The PHA will make an annual PILOT payment to the Town and will also pay the Town for a shared service agreement for the use of a Housing Inspector. All of these costs are normal operating costs of housing authorities, are included in the appropriations of the Guttenberg Housing Authority, and will be paid out of current rents and HUD Operating Subsidies. The HA will not be transferring any Unrestricted Net Position.

5. The proposed budget must not reflect an anticipated deficit from 2024 operations. If there exists an accumulated deficit from prior year's budgets (and funding is included in the proposed budget as a result of a prior year deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question.

While the proposed budget does not present an anticipated deficit from 2024 operations, the prior audit report reflects an accumulated deficit in Unrestricted Net Position of \$2,978,796. The deficit is the direct result of GASB 68 and GASB 75 requiring the recording of unfunded pension liabilities and other post employment benefit costs. Without these accruals and the related deferred inflows and outflows, the Unrestricted Net Position would be \$1,140,982 at 9/30/23 (prior audit period). In addition to instituting cost saving measures the Authority separated its' laundry income as non-federal funds as directed by HUD and will make these funds available if needed. The non-federal funds are shown in the Other Programs column on the proposed budget. It is expected that the required payments will be made over a number of years. Even with these items, the Authority will need to secure other revenue streams in order to reduce the accumulated deficit resulting from instituting GASB 68 and GASB 75. Most likely, the Authority will look to HUD for funding and/or guidance since it is required to participate in the NJPERS system.

**(Prepare a response to deficits in most recent audit report pertaining to Deficits to Unrestricted Net Position caused by recording Pension and Post-Employment Benefits liabilities as required by GASB 68 and GASB 75) and similar types of deficits in the audit report.**
